

**THE UNIVERSITY OF  
ALABAMA AT BIRMINGHAM**

Knowledge that will change your world

**Faculty Position  
Clinical Laboratory Sciences Program  
Department of Clinical and Diagnostic Sciences  
The University of Alabama at Birmingham**

The University of Alabama at Birmingham (UAB) is accepting applications for a twelve-month faculty position in the Clinical Laboratory Sciences Program, Department of Clinical and Diagnostic Sciences, School of Health Professions (SHP). SHP is one of our nation's largest and most diverse schools of its type with more than twenty programs at the baccalaureate, masters, and doctoral levels. Faculty rank and tenure status are commensurate with qualifications and experience.

UAB is nationally renowned with the Carnegie classification of RU/VH: Research Universities academic medical center with multiple opportunities for collaborative scholarly activities. This position will minimally require a Master's Degree (Doctorate preferred), national certification as a clinical laboratory scientist (ASCP) with excellent interpersonal and written/oral communication skills. Preference will be given to applicants with teaching experience in a clinical laboratory science program. Responsibilities include participation in teaching, research, and service.

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of, race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression, as well as sexual orientation. UAB also encourages applications from individuals with disabilities and veterans. A pre-employment background check investigation is performed on candidates selected for employment.

Fringe benefits are provided that include a retirement plan and health care benefits. Please go to the link provided to apply:
