

Clinical Assistant Professor/Clinical Associate Professor (Full time or Part time)  
Department of Pathology

Long Island's premier academic medical center, Stony Brook Medicine represents Stony Brook University's entire medical enterprise and integrates all of Stony Brook's health-related initiatives: education, research and patient care. It encompasses Stony Brook University Hospital, Stony Brook Children's Hospital, the five Health Sciences schools — Dental Medicine, Health Technology and Management, Medicine, Nursing and Social Welfare — as well as the major centers and institutes, programs and more than 50 community-based healthcare settings throughout Suffolk County. With 603 beds, Stony Brook University Hospital serves as Suffolk County's only tertiary care center and Regional Trauma Center. Stony Brook Children's, with more than 160 pediatric specialists, offers the most advanced pediatric specialty care in the region.

**Descriptive Title:** Clinical Assistant Professor/Clinical Associate Professor (Full time or Part time)

**Budget Title:** Same as above

**Department:** Pathology

**REF#:** F-9736-17-09-F

**Faculty Position**

**Campus:** Stony Brook West Campus/HSC

**Salary:** Commensurate with Experience

**Required Qualifications:** M.D. or equivalent. American Board of Pathology Certification in Clinical Pathology. Eligibility for New York State licensure. Strong written and verbal communication skills.

**Preferred Qualifications:** Certification in Blood Banking/Transfusion Medicine or completion of or currently enrolled in an accredited Blood Banking/Transfusion Medicine fellowship. Demonstration of scholarly capability/research experience and teaching experience.

**Responsibilities & Requirements:** The Clinical Assistant Professor/Clinical Associate Professor will serve as assistant medical director of the Blood Bank/Transfusion Medicine, and will participate in the general Clinical Pathology Service and in the teaching and research missions of the Department.
