

Mayo Clinic Rochester, Hematopathologist Position

The Hematopathology Division of the Department of Laboratory Medicine and Pathology at Mayo Clinic in Rochester, Minnesota is actively recruiting a staff physician. The Mayo Clinic is a unique practice environment, focused on the needs of the patient and dedicated to teamwork. The breadth of entities encountered in our hematopathology practice and the depth of the diagnostic tools available for their evaluation are unparalleled, creating a great opportunity for professional growth and career development.

Candidates must be American Board of Pathology-board certified/eligible in Hematopathology, and should have interest and/or experience in all aspects of hematopathology. At least 3 years of post-graduate practice, and experience or Board certification/eligibility in Molecular Genetic Pathology are preferred.

Mayo Clinic is located in the heart of downtown Rochester, Minnesota, a vibrant, friendly city that provides a highly livable environment for more than 34,000 Mayo staff and students. The city is consistently ranked among the best places to live in the United States because of its affordable cost of living, healthy lifestyle, excellent school systems and exceptionally high quality of life.
