

Academy of Clinical Laboratory Physicians and Scientists Membership Sponsorship

As indicated in the Bylaws of the Academic of Clinical Laboratory Physicians and Scientists, “Dedication to the advancement of teaching and scholarship in Laboratory Medicine” is considered in the review of candidates recommended for membership.

This consideration is reflected in the formal endorsement of each candidate by one active member of the Academy.

As a component of this process, I am pleased to sponsor

Applicant Name

whom I believe is well qualified for membership in the Academy. I am confident that this candidate will support the objectives of the Academy as stated in Article III of the constitution:

1. To encourage and advance the highest standards of education in laboratory medicine in medical schools and related curricula.
2. To encourage and promote the highest standards of resident training and post-graduate education of physicians and scientists in clinical pathology and medical schools.
3. To encourage and promote the highest standards of service, education, and research in academic laboratory medicine.
